

A checklist for funeral planning may be helpful during a time of grief

Catholic Cemeteries of Long Island

Here is a checklist for funeral planning:

- **Make an appointment**

Contact your pastor, the pastoral minister, the liturgist or other staff person in charge of funeral planning. Find out what guidelines the parish follows. Some parishes have a helpful checklist of things to be considered.

- **Notify relatives and friends**

Find someone to help answer sympathetic phone calls, cards and letters, as well as greet people when they call.

- **Review burial choices**

If you have not made arrangements with a cemetery, consider calling the Catholic Cemeteries office (516-334-7990) to review burial options. If you have not made prior arrangements with a specific funeral home, your parish may assist with recommendations.

- **Selections**

Choose cemetery property, casket, clothing, flowers, music, thank you cards.

- **Choose Scripture**

Consider readings that are special to your loved one. Hopefully, the deceased spoke about readings and songs before death. Ask for a list of the optional readings for a funeral in your parish.

- **Meaningful music**

What are the hymns and music that are used for funerals at your parish? Which ones do you think are appropriate for a celebration of new life?

- **Who will take part?**

What members of your family and which friends do you want to have certain roles in the vigil, funeral Mass and service at the burial site? Who might deliver a brief remembrance after Mass (a few minutes), if allowed by your pastor? Who could proclaim the chosen readings from Scripture?

- **Get key information**

Secure important information about the deceased, including date and place of birth, Social Security number and/or veteran's serial number, etc. Assemble important documents, including will, cemetery and/or funeral arrangement documents, birth certificate, marriage license, etc. Check deceased's will for special wishes.

- **Other notifications**

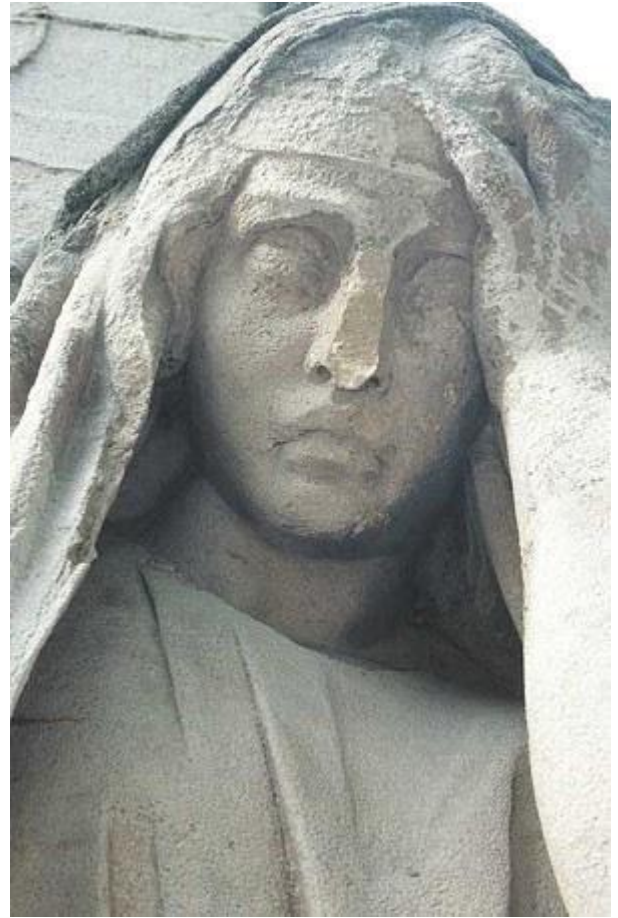

In addition to priest, relatives and funeral directors, notify doctor, coroner, pallbearers, insurance agents, banks, union and fraternal organizations, church musicians. Also speak with utilities, landlord and post office.

- **Memorial gifts**

Decide appropriate memorial to which gifts may be made (church, hospice, etc.).

- **Obituary**

The funeral home can assist you with writing an obituary. Many newspapers have forms. Most secular newspapers charge a fee.
